

MAKING ADOPTION A REAL OPTION

Each year Options United speaks to over **10,000 women** who are experiencing an unplanned pregnancy. Many choose to parent yet most choose to terminate their pregnancy. Thanks to our ongoing outreach there is a growing number of these women who are choosing to parent or even making an adoption plan.

That is good news!

Of course, not every woman can make the heroic choice of adoption. However, we have found it becomes a real option for these women when it is presented in a simple, positive and truthful manner.

Options United is a highly experienced non-profit that specializes in referring high risk crisis pregnant clients to life-affirming services and resources. We have a close working relationship with most all pregnancy centers in California and beyond. In fact, we have sent referrals to the nearly 180 pregnancy centers in California as well as hundreds across the US. We are developing more credible, ethical and experienced referral resources for adoptions.

Options United is looking for more people to join in our effort to make adoption a real option for women who are experiencing an unplanned pregnancy. Our trained call center staff offers kind assistance and valuable information to women who are experiencing an unplanned pregnancy.

Your involvement helps us expand our online outreach and train more staff to encourage mothers to choose life, whether it is parenting or adoption, and get them to credible, ethical, highly-respected resources.

We believe this is a much-needed, unique approach in the pro-life community. By uniting all the best options in one we can increase the number of those who choose adoption over abortion.

To do this we need to involve you and the entire pro-life adoption community.

Would you consider making a monthly donation of \$200 or more to help us make this possible?

Your information is secure and protected! All donations are made through a safe, encrypted connection. Your personal and financial information are kept private. Options United is a 501(c)3, so all donations are 100% tax deductible.
